We are excited to announce the grand opening of Eugene's premier ballroom dance studio; Vault Dance Studio! It's been three years in the making, with several unanticipated delays and challenges, we are now open.

Vault Dance Studio operates in a beautifully newly renovated ballroom that once was a bank. The ballroom is special and unique because of the character and some features that were preserved during the renovation, such as the vault door, safe deposit boxes, and the drive up window. "We have professional dancers from all over the world who visit our studio and are in awe of the character of the building." said Debbie Wright, Owner.

The principal dance professional couple, Anton Ivanishin and Hanna Lytvynovych, at the Vault Dance Studio are from Ukraine and are considered top level world class dancers. "We are very fortunate to have this kind of international talent in our community," said Debbie Wright. "I heard about Anton and Hanna after the war in Ukraine broke out. They were searching for a new life; a new beginning, the Vault Dance Studio was a perfect match for what they were looking for."

Vault Dance Studio offers a variety of ballroom dances including: cha cha cha, samba, rumba, paso doble, jive, mambo, bolero, swing, waltz, tango, foxtrot, quickstep and so many more dances. Classes and private lessons are available for adults and kids. Other fun opportunities include showcase dances, DanceSport competitions and wedding dances.
