Eugene Area Chamber of Commerce Announces 2023 Summit Series

Eugene, OR (February 14, 2023) — As the ball dropped and rang in 2023, Chamber staff knew something very special was coming. We ended 2022 with a sense of renewed purpose to support our community in reconnecting after several years of isolation, political polarization, and important cultural changes. We knew we needed a better way to provide our members and community the service and programs we all know and love.

It's why this year, we have taken all the best parts of the Eugene Chamber's programs and initiated the [2023 Summit Series](#).

This series brings together four of the Chamber's most important efforts: Leadership development, Young Professionals programs, Community Development and Advocacy, and Economic Development. These summits will consolidate some of the programming traditionally held in standalone programs like our Women Business Leader programming, 20 Under 40, and Endeavor workshops to inclusively program community-wide seminars targeting a wider audience of interested business leaders.

The Summit Series kicks off with our Leadership Summit in April of 2023. Our Young Professionals Summit will be held in June, our first ever Community Solutions Summit in September and our final summit of the year, our annual Economic Summit, will be held in November. Bringing these programs and events together under 4 summits serves as a catalyst for reconnecting and empowering local leaders to more meaningfully, and thoughtfully engage and grow their business.

"We are excited to bring this important programming to our community in a new and creative way", says Chamber President and CEO, Brittany Quick-Warner. "Coming up in 2023, you will experience a Chamber full of renewed vision for helping local leaders grow their social and economic bottom lines. We are ready to take this community to the next level".

Ahead of the first in this series, [Leadership Summit: RISE To Your Potential](#), we are offering a [Season Pass](#) to those who would like to purchase an individual ticket to all four summits. These Lift Tickets are available through the close of the Leadership Summit registration in April. Registration is open to members and non-members, alike.

Set up your base camp, and come along for a year of professional, personal, and community growth as we summit some big local issues.
