“100 Best Companies to Work for in Oregon” List**

Kernutt Stokes, a full-service certified public accounting and business consulting firm, is proud to announce its inclusion on Oregon Business magazine's list of the 100 Best Companies to Work for in Oregon for 2023, ranking 31st in the mid-sized businesses category. This marks the second time in the past three years that Kernutt Stokes has achieved this esteemed accolade. Employees attributed the firm's inclusion to its commitment to life balance, flexible schedules, and a generous benefit package. This recognition is a testament to Kernutt Stokes' dedication to its employees' growth and wellbeing, and the firm is determined to continue this success in the years to come.

“We know that our people are what make us great, so we recruit the best and support their growth. This leads to lower turnover, better client service, and happier people. We think it's no coincidence that we were also recently named one of the top 50 accounting firms in the country by INSIDE Public Accounting. Taking care of employees leads to success,” said Kernutt Stokes Managing Partner Steve Ritchie, CPA, CFE.
