## **Koke New Century Inc. Companies Expands Team with Two New Account Managers**

**Eugene, OR** — Koke New Century, Inc. Companies welcomes Mikayle Stole as an Account Manager and promotes Hanna Budan to an Account manager at QSL Print Communications.

"We are happy to welcome Mikayle and congratulate Hanna on her well-deserved promotion," said CEO Melissa Koke. "Their expertise and dedication will contribute greatly to our ability to provide exceptional service and build lasting relationships with our valued customers."

**Hanna Budan** has over 12 years of experience in retail sales and operations management. She brings a deep understanding of higher education and expertise in retail marketing and packaging, combined with her extensive experience in sales, making her an invaluable asset to our clients. Budan will work with project manager Carl Balkcom to manage accounts.

**Mikayle Stole** joined the QSL Print Communications sales team in April. She has been a graphic designer specializing in print design for most of her career. Stole has been on both sides of the client/printer relationship in past marketing, communication, and design roles. Stole will work with project manager Joshua Rodriguez to manage accounts.

### **About Koke New Century, Inc. Companies**

Koke New Century, Inc. Companies is the local owner & operator of the area's most trusted printers — QSL Print Communications, instaprint & TechnaPrint. Since 1907, customers have relied on a Koke-run printing company in Lane County. Their trio of businesses makes up the area's most comprehensive & sustainable printing service. If it needs to be printed, folded, cut, stitched, or mailed, Koke New Century, Inc. Companies can do it all. Have a project in mind? Push print locally at any of their three locations. From simple to extraordinary... YES, they print that! Learn more at [www.qslprinting.com](http://www.qslprinting.com)
