## **Lane Transit District**

### **LTD to Adjust Service for Summer**

EUGENE, Ore. ---(June 2, 2023) --- Lane Transit District (LTD) passengers should check their bus schedules by June 18, 2023, when the [summer bus schedule](#) goes into effect to determine if any changes to their routes have been made for the summer.

Typically, LTD adjusts bus service three times per year (Summer, Fall, and Winter) based on passengers' travel and service demands. The District's transportation planners study ridership patterns months in advance of a service change to create a bus schedule that meets the need of passengers and matches the service offerings LTD can provide based on available buses.

LTD passengers should look for added EmX service, added service on some neighborhood routes as well as timepoint adjustments, and routes that do not operate in the summer, but will again in the fall when school is in session.
