The Summer Picnic Series

Ahh... August. The sweetest spot of the year for just kicking back and relaxing in your favorite picnic spot. And what did we pack in the basket? A simple, five-course spread of perfectly carefree ice creams. Work your leisurely way through our rosé palate cleanser, baked brie and fig cheese board, great potato salad side, fried chicken centerpiece, and cherry pie topper. The good life doesn't get any easier. Go out there and enjoy.
