

SALT & STRAW®

MARCH 2024

The Cereal-sly Delicious Series

Saturday, 10 am. You know where to find us. Cartoon marathons and mountainous bowls of cereal had childhood on lock come Saturday mornings. Join us as we steep and smash and whizz past dizzying worlds of technicolor, heading back to those magical mornings, but not before reimagining them with our own Salt & Straw twist.

Pots of Gold & Rainbows

Hand-sorted rainbow marshmallows playfully tossed into an oh-so-sentimental cereal milk ice cream.

Peanut Butter Brownie Cereal Puffs

Double-baked, chocolate peanut butter-glazed brownies tossed into peanut butter-marbled chocolate ice cream.

Cornflake Cookies w/ Marionberry Jam

Brown butter cornflake cookies folded into a malted cereal milk cream and finished with ribbons of bright marionberry jam.

OffLimits™ Zombie w/ Coconut & Pandan (v)

OffLimits™ Zombie Pandan cereal mixed into coconut muscovado ice cream and tied together with a ribbon of pandan swirl.
